

Exhibit C contains Samsung's identification of intrinsic and extrinsic evidence supporting its proposed constructions.

Either party may rely on any intrinsic and extrinsic evidence identified by the other party. The parties may continue to attempt to narrow their claim construction disputes. The parties may seek to change their positions, either by agreement or leave of Court. The parties will evaluate any proposal to change position, if and when the proposal is made.

III. P.R. 4-3(c): LENGTH OF CLAIM CONSTRUCTION HEARING

Uniloc and Samsung anticipate the claim construction hearing will take three hours. This would allow each side one and a half hours to argue the disputed terms, phrases, and clauses.

IV. P.R. 4-3(d): LIVE WITNESS TESTIMONY

The parties do not expect to present live witness testimony.

V. P.R. 4-3(e): OTHER ISSUES

The parties do not currently have any issues that need to be taken up with the Court at a prehearing conference. Should any outstanding issues arise, they will be addressed in the briefing.

Date: December 4, 2018

Respectfully submitted,

/s/ Aaron S. Jacobs
