

Sleep Number and NFL Announce Groundbreaking Partnership to Emphasize the Importance of Sleep on player performance

Sleep Number named the Official Sleep and Wellness Partner of the NFL

Minneapolis – Jan. 31, 2018 –Today, Sleep Number and the National Football League announced a multi-year partnership aimed at helping to improve players' performance by maximizing the benefits of a great night of sleep. Through this partnership, every player in the league will be offered a Sleep Number 360™ smart bed with [SleepIQ® technology](#). Sleep Number will work with players, teams and trainers as they integrate sleep insights into their overall performance regimens.

"We are constantly assessing world-class technologies and partners and know this unprecedented partnership will provide players the ability to improve their performance through individualized, smarter sleep," said Roger Goodell, NFL commissioner. "We're offering Sleep Number's revolutionary technology to maximize the body's most basic need for renewal – sleep – to improve the well-being of our players and coaches."

The effortless adjustability of Sleep Number smart beds together with the advanced biometrics of SleepIQ technology will help players understand how [better sleep impacts their on-the-field performance](#). The partnership will also leverage Sleep Number's expertise in the impact of sleep on overall health and performance, while further strengthening the company's already comprehensive sleep data insights.

"We're excited to make a difference for these world-class athletes as they benefit from our SleepIQ technology and the effortless adjustability of our beds. And we are thrilled to be entering a long-term partnership with a performance-based organization like the NFL," said Shelly Ibach, Sleep Number president and chief executive officer. "Our partnership builds on the deep relationship we've established with the Minnesota Vikings and the Dallas Cowboys, who understand the connection between sleep, training and performance."

As part of their joint commitment to improve sleep for the entire NFL, the two organizations will:

Brad Paisley Pop-up Performance at Sleep Number before Super Bowl LII

MINNEAPOLIS, January 30, 2018 – As Super Bowl LII kicks off in Minneapolis, country music superstar **Brad Paisley** surprised shoppers at the Mall of America today in the **Sleep Number** store. Paisley performed several songs during the pop-up performance for an overflowing crowd of delighted fans, including “Today,” “Celebrity,” “Alcohol,” “Mud on the Tires,” “I’m Gonna Miss Her,” – and of course “Go to Bed Early.”

“It’s thrilling to be here in Minneapolis for the Super Bowl, and fun to perform for fans like this and especially in the Sleep Number store,” said Brad Paisley. “I like

Minnesota, I like that you have thousands of lakes and that you stand on top of the ice to fish."
