**Subject:** Petitioners' Request for Leave to File Motion to Strike: IPR 2019-00610  
**Date:** Monday, July 27, 2020 12:40:58 PM

---

Your Honors,

Petitioners seek leave to file a motion to strike Section II.B from Patent Owner's responsive claim construction brief (Paper No. 30) as presenting arguments that are beyond the scope of the claim construction questions the Board authorized in Paper No. 24 and for presenting new technical arguments that go beyond the scope of replying to the Petitioners' opening claim construction brief.

Patent Owner has indicated that it does not oppose this motion for leave provided that it is afforded an opportunity to file an explanation of its position.

The parties are generally available for a conference call during the week of July 27 between 9am to 3pm Eastern or otherwise at the Board's convenience.

Respectfully,

Robert Reckers, counsel for Petitioner AMC
