Dear PTAB:

Per SOP 9, Appx. 2, the parties are contacting the Board to arrange a teleconference with the panel regarding the remand from the Federal Circuit in IPR No. 2019-00610.

The parties have met and conferred regarding the procedure for the remand proceedings, and have agreed on the following joint proposal:

(1) Within 2 weeks of the Board's decision on procedure, each side may file an opening brief not to exceed 10 pages.

(2) Withing 2 weeks of the opening briefs, each side may file a response brief not to exceed 10 pages.

(3) The additional briefing is limited to addressing the Federal Circuit's decision. The parties may not submit any new evidence or any new arguments on the underlying merits.

(4) The parties agree that an additional hearing is unnecessary.

Please let us know if any further information would be helpful.

Respectfully submitted,
