

About Us

Learn about Harvard Pilgrim Health Care, our quality achievements, leadership, news, careers and ways to contact us.

Harvard Pilgrim and its family of companies provide health benefit plans, programs and services to more than 3 million customers in New England and beyond. A leading not-for-profit health services company, we guide our members—and the communities we serve—to better health.

Founded by doctors nearly 50 years ago, we're building on our legacy. In partnership with our expansive network of doctors and hospitals, we're improving health outcomes and lowering costs through clinical quality and innovative care management.
