<b>17.730</b> Impact Factor	<b>0.06882</b> Eigenfactor	<b>5.315</b> Article Influence Score 
--------------------------------	-------------------------------	---------------------------------------------------------------------------------------------------------------------------

The *IEEE Transactions on Pattern Analysis and Machine Intelligence* (TPAMI) is published monthly. Its editorial board strives to present most important research results in areas within TPAMI's scope.

*The articles in this journal are peer reviewed in accordance with the requirements set forth in the IEEE PSPB Operations Manual (sections 8.2.1.C & 8.2.2.A). Each published article was reviewed by a minimum of two independent reviewers using a single-blind peer review process, where the identities of the reviewers are not known to the authors, but the reviewers know the identities of the authors. Articles will be screened for plagiarism before acceptance.*

Corresponding authors from low-income countries are eligible for waived or reduced open access APCs. [View Full Aims & Scope](#)
