### STATUTORY DECLARATION

I, Ziaad Khan of The British Library, 96 Euston Road, London NW1 2DB, United Kingdom, Legal designation the British Library Board ('the Library'), do solemnly and sincerely declare, that:

1. I have access to and knowledge of the records and record keeping practices and procedures of the Library which relies to some extent on information collated by a third party. I have reviewed these records and record keeping practices, to prepare this declaration. Based on that review, the ordinary practices and procedures of the Library and to the best of my personal knowledge and belief, I make the following declaration.
2. The Reading Rooms of the Library are open to any bona fide enquirer and any publication in the Library may be consulted in the Reading Rooms on request. Any organisation or individual may purchase photocopies of extracts from publications.
3. On the 14<sup>th</sup> of July 1986 the Library received an issue of the journal "***Automobiltechnische Zeitschrift, Volume 88 No.6 June 1986***" containing the article "***Der Porsche Typ 959 – Gruppe B-ein besondered Automobil – Teil 2***" on pages 353-356. It was to the best of my knowledge received intact and was assigned the Library Shelfmark (P)VJ30-G(2). It was then catalogued on 14<sup>th</sup> of July 1986 and then shelved on the **14<sup>th</sup> of July 1986** and would have been available for public use to the best of my knowledge and belief from that date. There is now produced to me and marked "B" a true and correct copy of the journal cover, title page, content pages and article showing the Library pressmark and receipt date stamp 14<sup>th</sup> of July 1986 and the cataloguing date stamp 14<sup>th</sup> of July 1986 <sup>1</sup>.

<sup>1</sup> *Each exhibit will have to be signed by the solicitor and will have to have the words below printed on it. The exhibit will then have to be signed and dated by the solicitor " This is the exhibit marked "B" referred to in the statutory declaration of Ziaad Khan signed the 20<sup>th</sup> August 2019 before me Andrew M. Johnson Notary Public"*

BRITISH LIBRARY

4. And I make this solemn declaration conscientiously believing the same to be true and by virtue of the provisions of the Statutory Declarations Act 1835.

Signature

A handwritten signature in black ink, appearing to be "Z. Johnson".

Zum Titelbild

Abgasanlagen von Eberspächer sind Maßarbeit, deren Aufgabenstellung die Automobilindustrie formuliert. Dabei haben die Motorencharakteristik, die Unterbodenstruktur, das Klangbild und natürlich auch die wirtschaftlichen Gesichtspunkte vorrangige Bedeutung.

Abgasanlagen von Eberspächer werden immer als Komplettlösung konzipiert, wobei der Katalysator nicht als Zusatzteil, sondern als Bestandteil des Ganzen betrachtet wird. Die Abbildung zeigt eine moderne doppelreihige Hochleistungsanlage mit zwei geregelten Dreiweg-Katalysatoren, integriert mit einer nachfolgenden Schalldämpfungskammer. Die ovalen, nebeneinander angeordneten Komponenten bilden eine Kompaktanlage, deren Einbau auch bei schwierigen Platzverhältnissen möglich ist.

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

## API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

## LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

## FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

## E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
