1 BE IT REMEMBERED that, pursuant to the laws
2 governing the taking and use of depositions, on
3 Thursday, August 27, 2020, commencing at 8:57 a.m.,
4 before me, JOHN WISSENBACH, CSR 6862, of San Francisco,
5 California, appeared through videoconference ZAYDOON
6 (JAY) JAWADI, at Los Altos, California, noticed as a
7 cross-examination witness by the Petitioner, who, being
8 by me first duly sworn, was thereupon examined as a
9 witness in said action.

1 CROSS-EXAMINATION BY MR. McPHERSON

2

3 Q. Good morning, Mr. Jawadi. How are you?

4 A. Good morning. Fine, thank you. How are you?

5 Q. Good. My name is Pat McPherson. I'm with the

6 law firm of Duane Morris. And we represent the

7 petitioner, Unified Patents, in this case. Have you

8 been deposed before?

9 A. Yes.

10 Q. Because we're doing a remote deposition over

11 Zoom, there's a few changes for how depositions do work.

12 During the course of this deposition, I expect to be

13 showing you some exhibits. And I will use the chat

14 feature on Zoom to electronically send you and your

15 counsel those exhibits, and you can open them up.

16 During the course of the deposition, I expect us to take

17 some breaks, and when we take those breaks, I don't want

18 you to terminate your connection to the Zoom call,

19 because any documents I've shared, any exhibits I've

20 shared, are then gone, and we have to go through the

21 process again. So if we do need a break, it would be

22 good if we could just then stay on. You can go on mute,

23 and you can turn your camera off, but you just keep your

24 connection there so we don't have to go through the

25 process. Is that good?

1 A. Yes.

2 MR. McPHERSON: Okay. It looks like someone
3 with the name Deepali is trying to join the Zoom call.
4 Do we know who that is?

5 MR. GONSALVES: Yes. Deepali is also a counsel
6 for SynKloud.

7 MR. McPHERSON: Oh, okay. Do you want us to
8 wait till he joins, Gregg, before we go on?

9 MR. GONSALVES: It's a lady. She's a lady.

10 MR. McPHERSON: Do you want us to wait for her
11 to join first.

12 MR. GONSALVES: Yeah, I think that would be
13 best.

14 (Discussion off the record.)

15 (Ms. Brahmhatt joined the deposition.)

16 BY MR. McPHERSON:

17 Q. So Mr. Jawadi, as I was saying, if we need to
18 go on break you can turn your phone on mute or turn your
19 video off, but just keep your connection there so we
20 don't have to reload any exhibits that we've been
21 discussing. Okay?

22 During the break, I ask you not have any
23 discussions with your counsel regarding the substance of
24 your deposition during the break.

25 Do you understand that the purpose of this

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
