1 within three or four weeks, but the purpose of giving you all  
2 the claim constructions determinations today is I'm -- the --  
3 I'm losing my words. I was going to say that the holding --  
4 the tolling -- whatever. You can start discovery on Monday is  
5 what I'm trying to get across. I can't think of the right  
6 word. I apologize. So discovery begins Monday. We have a  
7 trial date in this case. Counsel for Roku informed me the  
8 other day that an IPR has been instituted. I'm aware of that,  
9 but we're going to -- I'm not going to stay the case based on  
10 the IPR institution and we are set for trial in July, June?

11 MR. MANN: June.

12 THE COURT: June of 2020?

13 MR. MANN: Yes, sir.

14 THE COURT: Okay. You know, so we will -- I'll plan on  
15 seeing you guys in June if you don't resolve it. As you all  
16 know, I don't send people to mediation. You know, you have  
17 your claim constructions now, helpful or not, and if you want  
18 to mediate, God bless you if you don't, we'll be in trial. I  
19 like trials. I like really good lawyers and you guys are  
20 really good lawyers.

21 And so is there anything else we need to take up?

22 MR. HADJIS: Your Honor, at the risk of annoying you, I'll  
23 be blunt, I would ask for your indulgence on some argument on  
24 docking port if Your Honor would hear it. If not, we  
25 understand and we will --
