Law Enforcement and Justice Administration

LEJA

Description

Established: 1974

Abolished: 1978

Location: [Provo, Utah](#) (1974-1978)

Functions

The Law Enforcement and Justice Administration Program worked to provide students with the prerequisites, background, and skills necessary to pursue graduate study, research, employment, and leadership in this field. Degrees were offered at the associate, bachelor's, and master's levels. Courses offered included Criminal Evidence, Introduction to Industrial and Retail Security, Criminalistics, and Correctional Processes.

Assets and Administrative Structure

The Law Enforcement and Justice Administration Program functions under the administration of a coordinator.
