Services

In today's workplace where employee turnover and theft greatly impact a company's bottom line, background screening is becoming a best practice among employers. With a growing number of companies using pre-employment screening for the first time, it is clearly one of the most important steps you can take to help reduce the risk of negligent hiring.

With BACKGROUND SOLUTIONS at your service, you can focus on more strategic tasks.

ANY TYPE OF REPORT YOU NEED CAN BE RETRIEVED

- Social Security Number Verification
- Criminal Record Search—County, State, Federal
- Sex Offender Registry
- Previous Employment Verification
- Bankruptcies / Judgments / Tax Liens
