Subject: IPR2020-00041: Email to parties re: exhibits
Date: Thursday, October 15, 2020 3:31:20 PM

Petitioner,

Yesterday, Petitioner filed two exhibits as Exhibits 1006 and 1007; however, the record already includes exhibits with these designations. Appropriate correction is required.

On or before Friday, October 16, 2020, Petitioner is authorized to: (1) refile these exhibits as Exhibits 1008 and 1009, and (2) file a corrected version of Petitioner's Reply that is identical to Paper 17, but with: (a) a corrected and updated exhibit list and (b) edits to reflect the new exhibit numbers. Concurrently with any such filing, Petitioner shall provide to Patent Owner a redline that shows all differences between Paper 17 and this corrected Reply, and Petitioner shall certify that no changes have been made to the exhibits other than the identified exhibit number.

Any objections to this approach must be raised to the Board by Friday, October 16, 2020. After correction, the Board will expunge the exhibits erroneously filed as Exhibits 1006 and 1007.
