ORDER GRANTING IN PART JOINT MOTION TO CONTINUE DISCOVERY DATES AND MANDATORY SETTLEMENT CONFERENCE

[ECF No. 115]

On March 20, 2020, the parties filed a Joint Motion to Extend the Case Management Order. ECF No. 115. The parties seek to continue all remaining dates set in the Court's February 5, 2020 scheduling order [see ECF No. 103] and February 24, 2020 order setting the mandatory settlement conference [see ECF No. 106]. Id. Though the parties filed jointly to continue the dates, they disagree on the correct length of continuance. Id. After considering the parties' arguments and consulting with District Judge Cathy A. Bencivengo, the Court **GRANTS** the parties' joint motion and sets the following dates:

All other guidelines and requirements remain as previously set. <u>See</u> ECF Nos. 103, 106. Finally, on February 24, 2020, the Court scheduled a Mandatory Settlement Conference ("MSC") in this matter for <u>April 28, 2020</u> at <u>2:00 p.m.</u> ECF No. 106. The order required the personal attendance of all "parties, adjusters for insured defendants, and other representatives of a party

having full and complete authority to enter into a binding settlement, as well as the principal attorneys responsible for the litigation." <u>Id.</u> at 2, <u>see</u> ECF No. 103.

On March 17, 2020, Chief Judge Larry A. Burns issued an Order in response to the COVID-19 public emergency ("CJO #18") to protect public safety and prevent the spread of COVID-19. See CJO #18 at ¶ 9. Accordingly, the Court **CONVERTS** the MSC to telephonic for all attendees. To facilitate the telephonic format of this conference, the Court **ORDERS** the following:

- 1. The Court will begin the MSC on its teleconference line. Counsel shall use the dialin information that will be filed by the Court as a **separate notice** on the docket. The notice will be restricted to case participants only.
- 2. Counsel and parties or client representatives with full settlement authority for each party must be immediately available by telephone for the duration of the MSC.
- 3. All participants shall be prepared to devote their full attention to this proceeding as if they were attending in person, i.e., cannot be driving while speaking to the Court.
- 4. Throughout the conference, the Court will initiate separate, confidential calls with Plaintiff and Defendants, respectively. Each party must provide the Court with a single phone number to use to initiate these calls, with both counsel and parties or representatives already conferenced in and ready to engage in settlement discussions. Counsel must email the Court at efile_major@casd.uscourts.gov no later than April 22, 2020 to provide each party's preferred phone number for the MSC and any other necessary call-in information for the Court (i.e., conference line passcodes).
- 5. Failure to participate may result in the imposition of sanctions. All other deadlines and requirements remain as previously set except as explicitly modified by this order. <u>See</u> ECF Nos. 103, 106.

IT IS SO ORDERED.

Dated: 3/24/2020

Hon. Barbara L. Major

United States Magistrate Judge
