On November 23, 2020, Petitioner’s counsel emailed the Board requesting an expansion of its page count to respond to Patent Owner’s Contingent Motions to Amend in the above-captioned proceedings. Ex. 3001. Petitioner proposed the following modifications to the page count:

	Current Page Count	Petitioners’ Proposed Modification to Page Count
Petitioners’ Opposition	25	40
Patent Owner’s Reply	12	25
Petitioners’ Sur-Reply	12	25

Petitioner’s counsel noted that the parties met and conferred and that Patent Owner opposed Petitioner’s requested modification, but made the following counter-offer:

	Current Page Count	Patent Owner’s Proposed Modification if no Revised MTA	Patent Owner’s Proposed Modification if MTA
Motion to Amend	-	-	30
Petitioners’ Opposition	25	30	30
Patent Owner’s Reply	12	17	12
Petitioners’ Sur-Reply	12	12	12

Having considered the parties’ respective positions as stated in the November 23rd email, we determine that it would be beneficial to modify the

page count for the briefing related to Patent Owner's Motions to Amend.

No conference call is deemed necessary to address Petitioner's request.

Accordingly, in consideration of the foregoing, it is hereby:

ORDERED that Petitioner's Oppositions to the Motions to Amend shall be limited to 35 pages each;

FURTHER ORDERED that Patent Owner's Replies in response to Petitioner's Oppositions shall be limited to 20 pages each;

FURTHER ORDERED that Petitioner's Sur-Replies in response to Patent Owner's Replies shall be limited to 15 pages each; and

FURTHER ORDERED that should Patent Owner choose to file revised Motions to Amend in accordance with the Board's Motion to Amend Pilot Program, the default 25 page limit shall apply to the revised Motions to Amend, and the foregoing adjusted page limits shall apply to the Oppositions, Replies, and Sur-Replies in response to the revised Motions to Amend.
