                       CROSS-EXAMINATION
4
    BY MR. PLUTA:
5
         0
              Good morning, sir. Can you please state
6
    your name for the record?
7
         Α
              My name is Victor John Shoup.
8
              Dr. Shoup, you've been deposed several
    times before, correct?
10
         Α
              I have been deposed twice on one matter.
11
              And was that an IPR matter?
         Q
12
         Α
              Yes.
13
              Okav.
                      Given the remote nature of this
         0
14
    deposition, it's going to be important for us to not
15
    talk over each other, so the court reporter can take
16
    down the questions and your answers. Can you agree
17
    to try not to do that, and I'll do the same?
18
              I can agree to that.
         Α
19
              Great. And if you recall, one of the
20
    particular things about an IPR deposition is that if
21
    we take break, you're not allowed to talk with
22
    counsel about your testimony during the breaks.
23
    you understand that?
24
              I do understand that.
25
              And you agree not to do that?
