1 TELEPHONIC HEARING

2 JUDGE KOKOSKI: This is Judge Kokoski, and
3 Judges Medley and Giannetti are on the line
4 with me.

5 This is call concerns IPR2020-00260, 261
6 and 262. Let's start with a roll call.

7 Who do we have for Petitioner?

8 MR. MODI: Good afternoon, your Honor.
9 This is Naveen Modi from the law firm of Paul
10 Hastings. With me is Paul Anderson, both on
11 behalf of Petitioner, Flex Logix.

12 JUDGE KOKOSKI: Thank you. And who do we
13 have for Patent Owner?

14 MR. KONDA: Good afternoon, your Honor.
15 This is Venkat Konda, pro se plaintiff -- pro
16 se counsel for the Patent Owner.

17 JUDGE KOKOSKI: Thank you. I understand
18 that Petitioner engaged a court reporter for
19 today's call; is that correct?

20 MR. MODI: Yes, your Honor. Kristin, are
21 you on?

22 THE COURT REPORTER: My name is Angie
23 Shaw-Crockett. I am the court reporter.

24 MR. MODI: Okay. Sorry. I had the wrong
25 name. Hi, Angie.

1 TELEPHONIC HEARING

2 (A discussion was held off the record.)

3 JUDGE KOKOSKI: Okay. Thank you. If you
4 could -- Petitioner, if you could submit a copy
5 of the transcript of this call as an exhibit
6 and send as soon as it's available, we'd
7 appreciate that.

8 MR. MODI: Sure, your Honor. Will do.

9 JUDGE KOKOSKI: Thank you. So we have a
10 few issues to discuss today, but the original
11 purpose of the call was Petitioner's request
12 for authorization to file reply to Patent
13 Owner's preliminary response.

14 As an initial matter, we'll just note that
15 a request for such reply requires a showing of
16 good cause.

17 With that in mind, Petitioner, why don't
18 you go ahead.

19 MR. MODI: Thank you, your Honor. We
20 appreciate you making the time today.

21 So as the board is aware, Petitioner filed
22 three petitions challenging the claims of the
23 '523 patent. Patent Owner filed its
24 preliminary responses in May after receiving an
25 extension due to COVID-19.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
