Dear Mr. Konda,

I received your voicemail. Since my area of expertise is in PCT and PCT National Stage Applications, and not re-issue applications, I have forwarded your voicemail to our re-issue experts. Someone from that shop should be contacting you to discuss your re-issue application.

Best regards,
Richard

Dear Mr. Konda,

I wanted to inform you that a decision granting your petition to accept the late submission of the basic national fee was mailed last week, and hopefully you should have received it by now.

Let me know if there's anything else I can assist you with on this matter.

Regards,

Richard
