A P P E A R A N C E S (Telephonic):

PAUL HASTINGS

Attorneys for Petitioner

875 15th Street, N.W.

Washington, DC 20005

BY: NAVEEN MODI , ESQ.

PAUL ANDERSON, ESQ.

VENKAT KONDA

Pro Se Patent Owner

1 Proceedings

2 JUDGE BOUCHER: This is Patrick  
3 Boucher. We are here for a conference in  
4 PGR2019-00037 and PGR2019-00042.

5 Who do we have on the line?

6 MR. MODI: Good afternoon, your  
7 Honor. This is Naveen Modi from Paul  
8 Hastings on behalf of Petitioner, Flex  
9 Logix.

10 I also have on the phone my  
11 colleague Paul Anderson. And also, your  
12 Honor, we let the board know as well, we  
13 do believe there is a court reporter on  
14 the line.

15 Bonnie, are you on?

16 THE REPORTER: Yes, I am here.

17 JUDGE BOUCHER: Okay. And who is  
18 on the line for the Patent Owner, please?

19 DR. KONDA: Good afternoon, your  
20 Honor. This is Venkat Konda, pro se  
21 Patent Owner.

22 JUDGE BOUCHER: Okay. Also on the  
23 line with me are Judges Boudreau and  
24 Beamer.

25 Because we have a court reporter on

1 Proceedings  
2 the line, I would ask you to try to be  
3 conscious of the fact that the reporter  
4 is taking down the conversation, and try  
5 to introduce yourself before you speak,  
6 just so we have some clarity on the  
7 record and the court reporter doesn't  
8 need to interrupt.

9 Mr. Modi, since you are the one who  
10 retained the court reporter, can you  
11 arrange, after the conclusion of the  
12 call, for a transcript of the call to be  
13 filed as an exhibit in the proceeding, in  
14 both proceedings?

15 MR. MODI: Yes, your Honor, we will  
16 take care of that.

17 JUDGE BOUCHER: Okay. So, let me  
18 begin with you, Mr. Modi. I think you  
19 are the one who initiated the topics for  
20 today.

21 My guess is that the first topic  
22 regarding the schedule is moot, but if  
23 you have any issues to raise about that,  
24 maybe you could do that first now,  
25 please.

1 Proceedings

2 MR. MODI: Your Honor, from our  
3 perspective, we don't have anything  
4 further on the schedule. We appreciate  
5 the Board entering the revised scheduling  
6 order.

7 JUDGE BOUCHER: Okay. Mr. Konda,  
8 do you have any issues to raise about the  
9 schedule in light of the orders that were  
10 entered this week?

11 DR. KONDA: I'm fine with that,  
12 your Honor.

13 JUDGE BOUCHER: So, Mr. Modi, let's  
14 turn to the more substantive issue then,  
15 which is the Patent Owner's motions to  
16 exclude and your request to file motions  
17 to expunge those motions. If you can  
18 kind of lay the framework for us to  
19 start, I would appreciate that.

20 MR. MODI: Sure, your Honor. Happy  
21 to do so.

22 So, Petitioner requests leave to  
23 move to expunge the motions to exclude  
24 and associated exhibits that Patent Owner  
25 filed in these proceedings on May 20th.

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

## API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

## LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

## FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

## E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
