Eric,

You are correct -- each of the references below was meant to be to IPR2020-00320, not IPR2020-00230. Apologies for the error.

Best,

Counsel, could you verify that you are referring to IPR2020-0320 in this instance and not IPR2020-0230?

Dear Patent Trial and Appeal Board,

Pursuant to the guidance in the Board's Trial Practice Guide (Consolidated November 2019 Edition, pp. 46–48), Petitioner Samsung Display Co., Ltd. and Patent Owner Solas OLED Ltd. write to request the Board's authorization to submit the attached April 17, 2020 claim construction order (issued in co-pending district court litigation in E.D. Texas) into the record in IPR2019-01668, IPR2020-00140, and IPR2020-00230.

Additionally, in IPR2020-00230, Petitioner Samsung Display would like to request authorization to file a short (5-page) supplemental pre-institution brief. Solas does not oppose this request if it is authorized to file a brief of the same length in response.

Counsel for the parties have met-and-conferred, and can be available for a call to discuss these requests at the Board's convenience.

Sincerely,

Grant Johnson
