Counsel,

Patent Owner's request for Director Review has been denied (Paper 38). As a courtesy, we note that to the extent Patent Owner sought to request both Director Review and panel rehearing (Paper 37), that request has been construed as a request for Director Review only (see <https://www.uspto.gov/patents/patent-trial-and-appeal-board/procedures/arthrex-qas> (answer to A3)). Thus, no panel rehearing is pending in this proceeding.

Thank you,
