STANDARD RETURNS POLICY

Effective: February 1, 2012

RETURNABLE ITEMS

- Products must be in the original, sealed Apotex labeled containers or original, sealed containers as distributed by Apotex.
- Apotex will accept product up to six (6) months before expiration date and up to six (6) months after the expiration date.
- All returns are subject to approval.
- This policy is subject to the laws within the governing jurisdiction of the customer.

NON-RETURNABLE ITEMS

- Products with more than six (6) months remaining shelf life OR more than six (6) months beyond expiration date.
- Repackaged goods, partials, free goods, samples, short-dated items sold as such, items sold on a non-returnable basis, or product that is not sent to Genco Pharmaceuticals for processing.
- Products missing label or lot number and expiration date.
- Products damaged due to insurable causes such as fire or natural disasters, or if damaged/deteriorated due to improper handling or storage by the customer.
- Merchandise remaining after a bankruptcy or distress sale.
- Merchandise purchased or distributed contrary to federal, state or local laws.

SHIPPING ERRORS/DAMAGES

Overstock, miss-shipments, damages, and shortage(s) must be reported to the Apotex Corp. Customer Service Department: **(877) 427-6839 or Fax (800) 706-5576, within 10 days of receipt of the order for pre-authorization and credit eligibility.** Apotex reserves the right to verify claims of shortages against shipping records.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
