SCHEDULING ORDER

On January 6, 2020, the Court conducted a conference in the above entitled and numbered cases. All parties appeared through counsel. As a result of such hearing, and pursuant to Rule 16, Federal Rules of Civil Procedure, the Court **ORDERS** that the following schedule will govern deadlines up to and including the trial of these matters:

Deadline	Item
Tuesday, December 24, 2019	Plaintiff serves preliminary infringement contentions in the form of a chart setting forth where in the accused product(s) each element of the asserted claim(s) are found. Plaintiff shall also identify the earliest priority date (<i>i.e.</i> the earliest date of invention) for each asserted claim and produce: (1) all documents evidencing conception and reduction to practice for each claimed invention, and (2) a copy of the file history for each patent in suit.
Tuesday, January 21, 2020	Deadline for Motions to Transfer
Thursday, April 9, 2020	Defendant serves preliminary invalidity contentions in the form of (1) a chart setting forth where in the prior art references each element of the asserted claim(s) are found, (2) an identification of any limitations the Defendant contends are indefinite or lack written description under section 112, and (3) an identification of any claims the Defendant contends are directed to ineligible subject matter under section 101. Defendant shall also produce (1) all prior art referenced in the invalidity contentions, (2) technical documents, including software where applicable, sufficient to show the operation of the accused product(s), and (3) summary, annual sales information for the accused product(s) for the prior two years, unless the parties agree to some other timeframe. With respect to U.S. Patent No. 6,072,450 ("the '450 patent), Defendant shall produce summary annual sales information for the products accused of infringing the '450 patent for the period beginning two years prior to the expiration of the '450 patent until the expiration of the patent.

The parties may amend preliminary infringement contentions and preliminary infringement invalidity contentions without leave of court so long as counsel certifies that it undertook reasonable efforts to prepare its preliminary contentions and the amendment is based on material identified after those preliminary contentions were served and should do so reasonably upon identifying any such material. Any amendment to add claims requires leave of court so that the Court can address any scheduling issues.

extrinsic evidence, including the identity of any expert witness they may rely upon with respect to claim construction or indefiniteness. With respect to any expert identified, the parties shall also provide a summary of the witness's expected testimony including the opinions to be expressed and a general description of the basis and reasons therefore. A failure to summarize the potential expert testimony in a good faith, informative fashion may result in the exclusion of the proffered testimony. With respect to items of extrinsic evidence, the parties shall identify each such item by production number or produce a copy of any such item if not previously produced.
