Subject: IPR Proceeding IPR2020-00510 – Request for Extension of Time to File PO Preliminary Response

Dear PTAB,

Patent Owner, Rembrandt Wireless Technologies, LP, respectfully requests that it be permitted a two-week extension of time to file its Patent Owner Preliminary Response in Inter Partes Review Proceeding No. IPR2020-00510 against U.S. Patent No. 8,023,580, filed on February 3, 2020.

The Docketing Notice was mailed March 17, 2020, making Patent Owner's Preliminary Response due June 17, 2020. Patent Owner asks that this date be extended to July 1, 2020, for the following reasons.

Shortly after the Petition was filed and before the docketing notice was mailed, the offices of both Patent Owner and Patent Owner's lead counsel were placed on mandatory telework status due to the COVID-19 pandemic. These offices remain on mandatory telework status as of this date. The office closures have resulted in inefficiencies in coordinating and completing work essential to responding to the Petition as well as hindering the ability to contact, retain and work with an expert witness, whose work has also been disrupted by the COVID-19 outbreak.

In addition to the pandemic, the recent and widespread civil protests and rioting, including very near the location where in-house counsel for Rembrandt is presently working, have provided, and continue to provide, further disruptions that have interfered with the ability to timely complete the work necessary to respond to the Petition.

The delays caused by the office closures and hindrance on travel, as well as the recent and widespread civil protests and rioting, have materially interfered with the ability of Patent Owner to timely file a complete Preliminary Response and thus Patent Owner respectfully requests an additional two weeks within which to file its preliminary response.

Patent Owner has consulted with Petitioner's counsel (copied on this email), who does not object to this request.

If the PTAB would like to discuss this request, counsel for the parties are available for a call during the following days and times (all times are EDT): Thursday, June 4, from noon to 4:00 P.M.; Friday, June 5, between 10:00 A.M. and 2:00 P.M. or between 3:30 P.M. and 5:00 P.M. Counsel is also available on Monday, June 8 between 1:00 P.M. and 6:00 P.M., and Tuesday June 9, between 10:00 A.M. and 3:30 P.M.

A similar request for an extension of time has also been made in Inter Partes Review Proceeding No. IPR 2020-00509, which was initiated against related U.S. Patent No. 8,457,228 by the same Petitioner.

Respectfully submitted,

/Jill M. Browning/
