1 CROSS-EXAMINATION BY MR. HERRIGES

2 Q. Okay. Good morning, Mr. Gandy. How are you?

3 A. Oh, okay.

4 Q. State your full name and residential address
5 for the record, please.

6 A. My name is James M. Gandy. My address is 5961
7 Spikerush Trail, Southport, North Carolina 28461.

8 Q. Okay. Thank you, sir. And you've been deposed
9 before, correct?

10 A. That's correct.

11 Q. Okay. Do you know roughly how many times?

12 A. Before this one, I believe five times.

13 Q. Okay. Have you ever been deposed in a remote
14 deposition like this, or is this your first one?

15 A. No, this is the first time doing a remote.

16 Q. Okay. Well, if you have any concerns or any
17 issues accessing documents, or anything like that, or
18 clarification due to the remote nature of the
19 proceedings, will you let me know?

20 A. Okay.

21 Q. All right. So you know the drill, but I'll
22 just run through the protocol here real quick. You
23 understand that although this deposition is remote,
24 Mr. Wissenbach is taking down your testimony as the
25 court reporter here today?

1 A. Yes, I understand that.

2 Q. And you understand that your testimony could be
3 presented to the Patent Trial and Appeals Board in this
4 case?

5 A. Yes, I understand.

6 Q. Okay. And you understand that you're under
7 oath?

8 A. Yes.

9 Q. And you understand that although the deposition
10 is remote and we're obviously not in a courtroom,
11 there's no judge, that that oath carries the same
12 seriousness as it would if we were in court and is
13 subject to the same penalties of perjury? You
14 understand that, correct?

15 A. Yes, I understand that.

16 Q. All right. Have you ever been deposed in a
17 PTAB proceeding before?

18 A. I'm sorry. What was that?

19 Q. Have you ever had your deposition taken in
20 connection with a PTAB proceeding before?

21 A. I'm -- I didn't catch the last part of that.

22 Q. Yeah. Have you ever had your deposition taken
23 in connection with a PTAB proceeding or an IPR?

24 A. Yes. Yes, I have. You're referencing IPR.
25 That's what I understand. Yes, I have.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
