Case No. 2:18-cv-00508-JRG

ORDER

The Court previously referred this case to Magistrate Judge Payne for claim construction proceedings only, and Magistrate Judge Payne entered a Claim Construction Order. (Dkt. No. 61). Now, Plaintiff Uniloc 2017 LLC (“Plaintiff”) has filed Objections to the Claim Construction Order. (**Dkt. No. 64**). Defendants Samsung Electronics America, Inc. and Samsung Electronics Co. Ltd. (collectively, “Defendants”) filed a Response to Plaintiff’s Objections. (Dkt. No. 67). Defendants also filed Objections to the Claim Construction Order (**Dkt. No. 65**).

The Court has reviewed the Claim Construction Order, the Objections to the Claim Construction Order, and Defendants’ Response to Plaintiff’s Objections. After reviewing this material, the Court agrees with the reasoning provided within the Claim Construction Order and concludes that the objections raised by the parties are without merit. Consequently, the Court **ADOPTS** Magistrate Judge Payne’s Claim Construction Order and **OVERRULES** the Objections raised by both Plaintiff and Defendants.
