Petitioner,

v.

UNILOC 2017 LLC,
Patent Owner.

Case IPR2020-00755
Patent No. 6,366,908

PETITIONER'S REQUEST FOR ORAL HEARING

The Board has tentatively scheduled the oral hearing for this proceeding for July 15, 2021. (Paper 15 at 10 (DUE DATE 8).) Pursuant to 37 C.F.R. § 42.70(a), Petitioner requests oral hearing on all instituted grounds of unpatentability (including whether claims 6–12 of the '908 patent are unpatentable over Braden-Harder, Heidorn, Messerly, Grossman, Kucera, and/or Miller), disputed claim constructions, and any other issues that may affect the Board's determinations in this proceeding. Petitioner also requests oral hearing on any issues raised by Patent Owner in its Request for Oral Hearing.

Petitioner requests that it and Patent Owner each be allotted **30 minutes** of argument time. To the extent the Board schedules the hearing to last less than or more than 60 minutes of total argument time, however, Petitioner requests that it be given half the length of the hearing to address these issues.

Petitioner understands that the Board is conducting certain hearings by telephone or videoconference. Petitioner agrees to a videoconference for the hearing. If the Board decides to hold an in-person hearing, Petitioner requests that two spaces be reserved for counsel at counsel's table and three additional spaces be reserved in the hearing room to accommodate additional counsel and corporate representatives. Petitioner also requests that two attorneys at Petitioner's counsel's table be allowed to use computers.

Respectfully submitted,

Dated: June 3, 2021
