7 **A. Deadlines for Motions.**

8 All motions must be noticed to be *heard* on or before their respective deadlines.  
9 All unserved parties will be dismissed at the time of the pretrial conference pursuant  
10 to Local Rule 16-8.1.

11 **B. Discovery Cut-Off and Discovery Disputes**

12 1. Discovery Cut-off: The cut-off date for discovery *is not* the date  
13 by which discovery requests must be served; it is the date by which all discovery,  
14 *including all hearings on any related motions*, must be completed. Thus, written  
15 discovery must be served, and depositions must begin, sufficiently in advance of the  
16 discovery cut-off date to permit the discovering party enough time to challenge via  
17 motion practice responses deemed to be deficient. Given the requirements to meet  
18 and confer and to give notice, in most cases a planned motion to compel must be  
19 discussed with opposing counsel at least six weeks before the cut-off.

20 2. Expert Discovery: All expert disclosures must be made in writing.  
21 The parties should begin expert discovery shortly after the initial designation of  
22 experts. The final pretrial conference and trial dates will not be continued merely  
23 because expert discovery is not completed. Failure to comply with these or any other  
24 orders concerning expert discovery may result in the expert being excluded as a  
25 witness.

26 3. Discovery Disputes: Counsel must use best efforts to resolve  
27 discovery problems among themselves in a courteous, reasonable and professional  
28 manner. Counsel must adhere to the Civility and Professionalism Guidelines at
