

Judge Indira Talwani: ELECTRONIC ORDER: Defendant Ice River seeks a stay pending the resolution of a third party's petitions for inter partes review of all claims asserted in this case. While Defendant's motion raises substantive questions of whether a stay would be appropriate if the Patent Trial and Appeal Board decides to institute re-examination proceedings as to some or all of the asserted claims, that decision has not yet been made. Accordingly, Defendant's Motion to Stay the Case 90 is DENIED, without prejudice to renew. (Kelly, Danielle) (Entered: 03/19/2020)
