Dear Mr. Kellogg,

Apologies that our Certificates of Service did not indicate the parties' prior agreement regarding service but I had exchanged emails with Patent Owner's counsel, Mr. Keith Jarosik, on April 30 and May 1, before filing the nine (9) petitions identified below. I attach Mr. Jarosik's response in which he kindly agreed to "accept electronic service and waive service of paper copies for the noted patents." It was only after his agreement that the below-listed petitions were filed. I did not copy Mr. Jarosik on this email but his contact information is jarosikk@gtlaw.com.

Please let me know if you need more information.

Best regards,
-Ed Sikorski

EXTERNAL TO GT

Hi Keith, I represent One World Technologies and Techtronic Industries, which were sued for patent infringement by your client, Chervon (HK) Ltd. The case caption is *Chervon (HK) et al. v. One World Technologies, Inc., et al.*, No. 19-cv-01293-LPS (D.Del.). I am copying my colleague, Damon Lewis. We plan to file petitions for IPR and PGR over the next couple days on the asserted patents (listed below), and because you are the official contact person in the USPTO's records for each of them, I am reaching out to ask if you would kindly accept electronic service and waive service of paper copies. Given everyone's work-from-home situation due to Covid-19, we feel it would be to everyone's benefit to avoid printing, shipping, and receiving paper copies. Please let me know at your earliest convenience.

Thanks,

-Ed Sikorski
