16A	<p>establishing a communication link for accessing the remote storage space served by a first server;</p>	<p>Microsoft wireless device, e.g. Surface Pro., establishes a communication link via Wi-Fi, for the wireless device to access to a storage space provided by a server via a web browser that is illustrated in a screenshot taken from Surface Pro. The Surface Pro can be exclusively assigned a remote storage space provided by Adobe Creative Cloud storage service.</p> <p>https://www.adobe.com/creativecloud.html</p> <p align="center">What is Creative Cloud?</p> <p>Creative Cloud is a collection of 20+ desktop and mobile apps and services for design, video, web, UX and more. Now you can take your ideas to new devices on the iPad, draw and paint with Fresco, and design for 3D and AR. Join the Creative Cloud community – and make something better together.</p> <p>For Adobe IDs, the storage also stacks with Creative Cloud individual memberships. A user with a Creative Cloud for teams membership (1 TB), Creative Cloud for enterprise membership of 2 TB, has 102 GB of storage allocated to their product profile.</p> <p>When users are removed from a product profile, they lose the entitlement to that product profile. The storage allocation is immediately revised. If user</p>

		<p>revised allocation, they cannot add new files, but they still have access to their files. Users have to delete files to free up space and get below their new storage limit.</p> <p>However, if a user is deleted, the files on the Creative Cloud storage are not accessible and no way to recover them.</p> <p>If Enterprise or Federated ID users are removed from product profile and their storage and services, they are no longer entitled to storage. The files are accessible for 90 days, during which time users can download them. Uploading files is not allowed, and the files are not accessible after 90 days.</p> <p>https://helpx.adobe.com/enterprise/using/cce-storage.html</p> <hr/> <p>Storage connections</p> <p>Adobe Document Cloud: Store and access files online with 2GB of free storage and up to 100GB with an Acrobat DC subscription.</p> <p>Adobe Creative Cloud: Store and access files online as part of an Adobe Creative Cloud membership. For more information, see File storage and quota.</p> <p>https://helpx.adobe.com/acrobat/kb/DC-Language-Tiers.html</p> <p>Overview</p> <p>A Creative Cloud membership includes cloud-based storage, which allows you to access files stored in the cloud from any computer using a web browser. Creative Cloud storage is made up of three different areas: Creative Cloud, Lightroom, and Adobe Stock. Stored content can be accessed online as follows.</p> <p>Creative Cloud - https://assets.adobe.com Lightroom - https://lightroom.adobe.com</p>

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
