Impressive View

The VIVO ONE showcases an impressive 5.5" HD+ 18:9 wide screen display that brings realistic image to life. Enjoy your movies or play the latest game downloaded from the PlayStore, the 720 x 1440 resolution with 293ppi vivid display will sure to impress.

Smaller Is Bigger

The VIVO ONE incorporates the latest technology with its HD+ 18:9 ration display layout. It enables an expanded screen size without necessitating a larger phone for a more comfortable handheld experience.

VIVO ONE

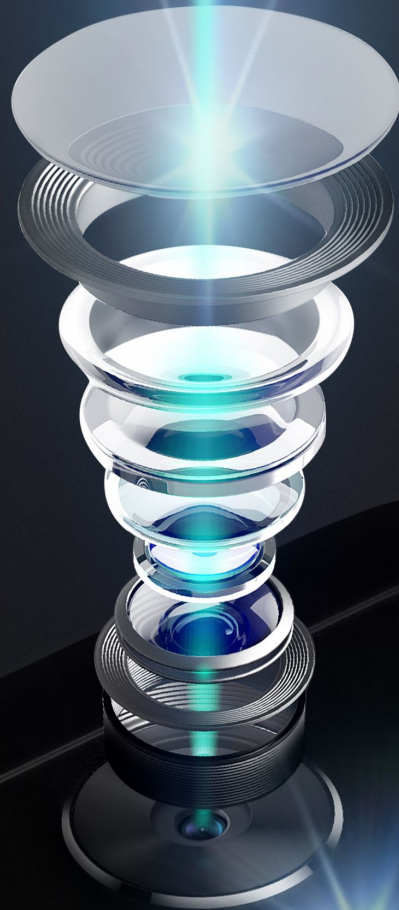

GRAND 5.5 HD II

Curved Display

Incorporating the highest grade material such as curved glass touch panel ensure the VIVO ONE has excellent feedback and feel, as well as a smooth liquid form factor.

Masterful Images

Special moments happen in a blink of an eye, VIVO ONE's 12 Megapixel main camera is there to capture it flawlessly. The VIVO ONE features numerous camera modes to ensure gorgeous pictures every single time.
