To the Board:

We write as advised in a call to the Board Office earlier today.

We represent Petitioner Slayback Pharma LLC in IPR 2020-01053 and request leave to file public versions of certain documents filed by Petitioner on June 10, 2020.

On June 10, 2020, at Patent Owner's Request, Petitioner filed the following documents under seal, marked "Confidential" and/or "Protective Order Material," because it was possible that these documents contained Patent Owner's confidential information:

Paper 20 Petitioner's Reply to Patent Owner's Response
Exhibit 1054 Stahl Deposition Transcript
Exhibit 1055 Reisetter Deposition Transcript

Patent Owner, copied hereto, has now informed Petitioner that the above documents do not contain Patent Owner's confidential information and that unredacted public versions can be filed.

Accordingly, Petitioner respectfully seeks leave to file unredacted public versions of the above documents.

Also, Petitioner filed Petitioner's Motion to Seal Under 37 CFR § 42.54 (Paper 19) with respect to the above documents and Petitioner believes that this pending Motion is now moot.

Respectfully Submitted
