Pursuant to 37 C.F.R. § 42.53 and the Notice of Joint Stipulation Regarding Cross-Examination (Paper 44), Petitioner Yita LLC (“Petitioner”) hereby provides notice to Patent Owner MacNeil IP LCC (“Patent Owner”) that the remote video interview of Ms. Janina Kaminskiene will be held on **July 2, 2021, beginning at 10:00 AM EDT**. This interview will concern the instant proceeding, as well as related proceeding IPR2020-01142.

The interview will be conducted remotely using video teleconferencing service(s) and/or telephony service(s) that provide remote access for authorized parties wishing to participate in the interview via the Internet and/or telephonically.

The interview will be recorded using stenographic means pursuant to 37 C.F.R. § 42.53(a). The interview will also be transcribed by real-time reporting software.

Given that strong and continuous Internet connectivity of a remote interview is crucial, a test may be conducted with all parties prior to the interview date. If connectivity or other technical issues arise during the test that cannot be corrected before the interview date, then an alternative interview date will be scheduled. If connectivity or other technical issues arise during the course of the interview and are not corrected such that the interview cannot be completed on the interview date, an alternative interview date will be used to complete the interview.
