|------|-------|--|--|
| 25   | 12    | Answer should be “Yes.”  | I forgot that I had reviewed both versions. I reviewed both the blacked out and version and the version with the blackout removed. |
| 51   | 5     | Add to end of answer—“Specifically, it is the floor portion of the footwell.”  | Clarification  |
| 63   | 8     | Add to end of answer—“Much of the top edge touched the footwell walls. So the top edge conformed but the side panels did not”  | Clarification  |
| 83   | 13-14 | Add to end of answer after removing the period at the end of the second sentence—”, specifically a properly designed mold, you would get a substantially uniformly thick product if you started with a substantially uniformly thick sheet.” | Clarification  |
