Counsel for the parties have conferred and agreed that Patent Owner will conduct cross-examination by deposition of the Petitioner's witness at the date and time indicated below.

The cross-examination will be conducted remotely using video teleconferencing service(s) and/or telephony service(s) that provide remote access for authorized parties wishing to participate in the deposition via the Internet and/or telephonically.

**Date/Time:** Monday, May 3, 2021 at **8:00 AM MDT**

**Declarant's Name:** Ms. Christie Poland

**Location:** Ms. Poland will be located in Colorado. The other parties participating in the deposition, including the examining attorneys, the defending attorneys, and the court reporter, will be participating from geographic locations different than Ms. Poland.

This cross-examination will concern the instant proceeding, as well as related proceedings IPR2020-01280 and IPR2020-01359.

The cross-examination will be recorded stenographically by a court reporter authorized by law to administer oaths. It will also be transcribed by real-time reporting software.

Given that strong and continuous Internet connectivity of a remote deposition is crucial, a test may be conducted with all parties prior to the deposition date. If connectivity or other technical issues arise during the test that cannot be corrected before the deposition date, then an alternative deposition date will be scheduled. If connectivity or other technical issues arise during the course of the deposition and are not corrected such that the deposition cannot be completed on the deposition date, an alternative deposition date will be used to complete the deposition.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.
