Hi Clif,

We received the financials today and will review in detail this week. This Thursday, May 20th would work best for us at 2:30PM EST. Are you available then for a call?

Best regards,

Rachel and Allison, thanks again for taking as much time as you did to meet last week. If you have not already received the financials, the information should arrive shortly.

Assuming it works with your schedules, I would like to suggest a conference call to discuss preliminary questions you might have regarding the financials and the business model, in general.

Would the afternoon (EST) of either Friday, May 20 or Monday, May 24 work for you?

Thanks very much.

Clif
