Hi Milton,

Sure thing, I will put everything together so we can do so. Hope you have a relaxing weekend before getting on a plane again..

Best,
Nicole

Nicole -

Good morning - can we handle these issues (this one and the others you emailed last night) in person on Monday? I reviewed everything on the plane, just want to chat about it all and then sign off on the appropriate items, but am very tied up until I get to Honolulu unless you urgently need this today - then I can try to push some things aside.....let me know.

Hi All,

When you get a chance could you let me know if I should go forward with this additional functionality? If yes, I would just need a signature on the SOW and I can fax it on over to Len and work out any design specifications needed.

Thanks so much!

Nicole
