To the Honorable Board

Because of a docketing error, Patent Owner SynKloud filed the patent owner responses and associated documents for IPRs2020-01269 and 01270 the day after the due date.

Accordingly, SynKloud respectfully asks the Board to excuse the late filing.

Petitioners Microsoft and HP do not oppose SynKloud's request.

I plan to file a joint stipulation to reflect the schedule change. Please let me know if I need to do anything further.

Respectfully,

Dr. Gregory J. Gonsalves
