**Subject:** Vascular Solutions LLC et al. v. Medtronic Inc. et al.  
**Attachments:** 2019 07 02 ECF 1 Complaint.pdf

Dear Mr. Saber and Mr. Anderson,

My firm represents Vascular Solutions and its parent Teleflex. Yesterday we filed a lawsuit on behalf of our clients against Medtronic, Inc. and Medtronic Vascular, Inc. A courtesy copy of the complaint (without exhibits) is attached for your convenience. The entire complaint and exhibits can be accessed at the following sharefile site: <https://carlsoncaspers.sharefile.com/d-s74140d711db4bb18>. We intend to serve the complaint on Medtronic's registered agent promptly after receiving the summons from the Court.

We also intend on filing a motion for a preliminary injunction right away, and I write to request a meet and confer with Medtronic regarding this motion. I or one of my colleagues will make ourselves available any day this week for the meet and confer. Please let me know a time or times this week that would work for a meet and confer with you and/or your outside counsel.

Regards,  
Derek
