Dear Board,

Pursuant to 37 CFR 42.123(a), Petitioner Intel Corporation respectfully requests authorization to file a motion to submit supplemental information in the above proceeding. The supplemental information relates to: (1) publication of the prior art that is the basis for the instituted grounds (Exs. 1003, 1004, and 1005), *see* Paper 13 at 44; and (2) the district court's claim construction order in the parallel proceeding on the patent at issue. Patent Owner is still investigating but is presently opposed to the motion. If the panel would like to hold a conference, counsel for both parties are generally available on 4/5, 4/6, and 4/8. Counsel for Patent Owner are copied on this email.

Best regards,

Brian Nash
