ORDER
Setting Oral Argument
37 C.F.R. § 42.70

¹ Edwards Lifesciences Corporation and Edwards Lifesciences LLC filed a petition in IPR2021-00775, and have been joined as petitioner in this proceeding.

I. ORAL ARGUMENT

A. Time and Format

Oral arguments will commence at **10:00 AM Eastern Time on December 8, 2021**, by video.² The Board will provide a court reporter for the hearing, and the reporter's transcript will constitute the official record of the hearing.

Petitioner requests sixty (60) minutes to present arguments. Paper 21. Patent Owner requests sixty (60) minutes to present arguments. Paper 20. We grant the parties' requests and allocate sixty (60) minutes of argument to each party. Accordingly, Petitioner will have sixty (60) minutes to present argument in this case and Patent Owner will have sixty (60) minutes to respond. Petitioner will open the hearing by presenting its case regarding the challenged claims for which the Board instituted trial. Thereafter, Patent Owner will respond to Petitioner's argument. Petitioner may reserve rebuttal time to respond to arguments presented by Patent Owner. In accordance with the Consolidated Trial Practice Guide³ ("CTPG"), issued in November 2019, Patent Owner may request to reserve time for a brief sur-rebuttal. *See* CTPG 83. The parties may reserve up to fifteen (15) minutes for rebuttal and sur-rebuttal time.

The parties may request a pre-hearing conference in advance of the hearing. *See id.* at 82. "The purpose of the pre-hearing conference is to afford the parties the opportunity to preview (but not argue) the issues to be

discussed at the hearing, and to seek the Board’s guidance as to particular issues that the panel would like addressed by the parties.” *Id.* If either party desires a pre-hearing conference, the parties should jointly contact the Board at Trials@uspto.gov at least seven (7) business days before the hearing date to request a conference call for that purpose.

B. Demonstratives

At least seven (7) business days before the hearing date, each party shall serve on the other party any demonstratives it intends to use during the hearing. *See* 37 C.F.R. § 42.70(b). The parties shall file demonstratives at least five (5) business days before the hearing.

Demonstratives are not a mechanism for making new arguments. Demonstratives also are not evidence, and will not be relied upon as evidence. Rather, demonstratives are visual aids to a party’s oral presentation regarding arguments and evidence previously presented and discussed in the papers. Accordingly, demonstratives shall be clearly marked with the words “DEMONSTRATIVE EXHIBIT – NOT EVIDENCE” in the footer. *See Dell Inc. v. Accelaron, LLC*, 884 F.3d 1364, 1369 (Fed. Cir. 2018) (holding that the Board is obligated under its own regulations to dismiss untimely argument “raised for the first time during oral argument”). “[N]o new evidence may be presented at the oral argument.” CTPG 85; *see also St. Jude Med., Cardiology Div., Inc. v. The Bd. of Regents of the Univ. of Mich.*, IPR2013-00041, Paper 65, 2–3 (PTAB Jan. 27, 2014) (explaining that “new” evidence includes evidence already of record but not previously discussed in any paper of record).

Furthermore, because of the strict prohibition against the presentation of new evidence or arguments at a hearing, it is strongly recommended that

each demonstrative include a citation to a paper in the record, which allows the Board to easily ascertain whether a given demonstrative contains “new” argument or evidence or, instead, contains only that which is developed in the existing record.

Due to the nature of the Board’s consideration of demonstratives and the opportunity afforded for the parties to reach an agreement without involving the Board, the Board does not anticipate that such objections are likely to be sustained. Nevertheless, to the extent that a party objects to the propriety of any demonstrative, the parties shall meet and confer in good faith to resolve any objections to demonstratives prior to filing them with the Board. If such objections cannot be resolved, the parties may file any objections to demonstratives with the Board no later than the time of the hearing. The objections shall identify with particularity which portions of the demonstratives are subject to objection (and should include a copy of the objected-to portions) and include a one-sentence statement of the reason for each objection. No argument or further explanation is permitted. The Board will consider any objections, and may reserve ruling on the objections.⁴ Any objection to demonstratives that is not timely presented will be considered waived.

Finally, the parties are reminded that each presenter should identify clearly and specifically each paper (e.g., by slide or screen number for a demonstrative) referenced during the hearing to ensure the clarity and

⁴ If time permits, the Board may schedule a conference call with the parties to discuss any filed objections.

accuracy of the court reporter's transcript and for the benefit of all participants appearing electronically.

C. Presenting Counsel

The Board generally expects lead counsel for each party to be present at the hearing. *See* CTPG 11. Any counsel of record may present the party's argument as long as that counsel is present by video.

*D. Video Hearing Details*⁵

To facilitate planning, each party must contact the Board at PTABHearings@uspto.gov at least five (5) business days prior to the hearing date to receive video set-up information. As a reminder, all arrangements and the expenses involved with appearing by video, such as the selection of the facility from which a party will attend by video, must be borne by that party. If a video connection cannot be established, the parties will be provided with dial-in connection information, and the hearing will be conducted telephonically.

If one or both parties would prefer to participate in the hearing telephonically, they must contact the Board at PTABHearings@uspto.gov at least five (5) business days prior to the hearing date to receive dial-in connection information.

Counsel should unmute only when speaking. The panel will have access to all papers filed with the Board, including demonstratives. During

⁵ USPTO facilities remain closed to the public. If and when conditions allow in-person hearing attendance, the parties will be notified and will be permitted to submit a joint request to convert the current video hearing to an in-person hearing. The requests will be considered on a case-by-case basis, and subject to resource availability.
