Counsel,

In response to your April 22, 2021 email, the Panels of the above-identified, related *inter partes review* proceedings do not believe a conference call on modifying the respective Scheduling Orders is necessary and grant the parties' joint request to change the date of final oral argument in these proceedings. Per the parties' indication of availability, the final hearing for these proceedings will take place on Monday, January 10, 2022. This email will be followed by an order so-modifying the respective Scheduling Orders. If you have any further questions on this issue, please contact the Board.

Dear PTAB,

Petitioner New World Medical, Inc. writes to request an Initial Conference Call to respectfully request a modification to the Scheduling Orders in IPR Nos. 2020-01573, 2020-01711, 2021-00017, 2021-00065, and 2021-00066. Petitioner's request relates to the date of the oral argument, which has been set for January 4, 2022 in each of the above-referenced proceedings.

Petitioner's lead counsel in these proceedings, Todd Tucker, will be out of the country through January 2, 2022 on a family vacation that was planned prior to institution of these proceedings. To allow for the possibility of travel delays and to allow for preparation time for oral arguments across these five proceedings, Petitioner would like to respectfully request that the date for oral argument be moved either up to the week of December 20, 2021 or back to the week of January 10, 2022 (subject to the Board's availability). Petitioner waited to make this request until institution decisions

were issued in all the above-referenced proceedings to determine the date set for oral argument in these proceedings and avoid burdening the Board with separate requests in each proceeding. Patent Owners do not oppose Petitioner's request but Patent Owners' counsel is unavailable for oral argument on December 24, 2021.
