XII. CONCLUSION.....175

I. INTRODUCTION

1. My name is Dr. Peter Netland, MD, PhD, and I have been retained by counsel for New World Medical, Inc. (“New World Medical”) as an expert witness in the above-captioned proceeding.

2. My opinions are based on my years of education, research, and experience, as well as my investigation and study of relevant materials. The materials that I studied for this declaration include all the documents referenced in this declaration and the exhibits to New World Medical’s Petition for *Inter Partes* Review of U.S. Patent No. 9,107,729 (“the ‘729 patent”) (Ex.1001).

3. I may rely upon these materials, my knowledge and experience, and/or additional materials to rebut arguments raised by the Patent Owner MicroSurgical Technologies, Inc. (“MST”). Further, I may also consider additional documents and information in forming any necessary opinions, including documents that may not yet have been provided to me.

4. This declaration represents only those opinions I have formed to date. I reserve the right to revise, supplement, and/or amend my opinions stated herein based on new information and on my continuing analysis of the materials produced in this proceeding.

5. I am being compensated on a per hour basis for my time spent working on issues in this case at the rate of \$500 per hour. My compensation does not depend on the outcome of this matter or the opinions I express.

II. QUALIFICATIONS

6. I am an expert in the field of ophthalmology. I have studied, taught, practiced, and researched in the field of ophthalmology for over twenty years. I have summarized in this section my educational background, work experience, and other relevant qualifications. A true and accurate copy of my curriculum vitae is attached as **Appendix A** to this declaration.

7. I earned my Bachelor of Arts from Princeton University in Princeton, New Jersey in 1979. I earned my Doctor of Philosophy (“PhD”) in Physiology and Biophysics from Harvard University Division of Medical Sciences in Boston, Massachusetts in 1985. In 1987, I earned my Medicinae Doctor (“MD”) from the University of California School of Medicine in San Francisco, California (“UCSF”). Following a surgical internship at the UCSF, I completed my residency in ophthalmology in 1991 at the Massachusetts Eye and Ear Infirmary, which is a teaching hospital of Harvard Medical School in Boston, Massachusetts. I also completed a clinical fellowship in glaucoma at the Massachusetts Eye and Ear Infirmary.
