**Mediation:** While certain cases may benefit from mediation, such may not be appropriate for every case. The Court finds that the Parties are best suited to evaluate whether mediation will benefit the case after the issuance of the Court's claim construction order. Accordingly, the Court **ORDERS** the Parties to file a Joint Notice indicating whether the case should be referred for mediation **within fourteen days of the issuance of the Court's claim construction order.** As a part of such Joint Notice, the Parties should indicate whether they have a mutually agreeable mediator for the Court to consider. If the Parties disagree about whether mediation is appropriate, the Parties should set forth a brief statement of their competing positions in the Joint Notice.

**Summary Judgment Motions, Motions to Strike Expert Testimony, and Daubert Motions:** For each motion, the moving party shall provide the Court with two (2) hard copies of the completed briefing (opening motion, response, reply, and if applicable, sur-reply), excluding exhibits, in D-three-ring binders, appropriately tabbed. All documents shall be single-sided and must include the CM/ECF header. These copies shall be delivered to the Court within three (3) business days after briefing has completed. For expert-related motions, complete digital copies of the relevant expert report(s) and accompanying exhibits shall be submitted on a single flash drive to the Court. Complete digital copies of the expert report(s) shall be delivered to the Court no later than the dispositive motion deadline.
