1 | Welcome

Congratulations on purchasing the Hewlett-Packard Jornada 520 Series Pocket PC, a Microsoft® Windows®-powered Pocket PC. Your HP Jornada Pocket PC lets you keep your most important business and personal information current and close at hand. Your HP Jornada includes the Microsoft Windows for Pocket PC software, such as the latest version of Microsoft Pocket Outlook®, so you can read and write e-mail while on the road and manage your appointments and contacts. You will find that your HP Jornada is also the perfect companion to your desktop or notebook PC, allowing you to take vital business data and documents with you and easily upload updated information upon returning to your desk. HP Jornada offers you the highest quality in performance and power management as well as rich programs and utilities designed by Hewlett-Packard, making HP Jornada your powerful, reliable, mobile business partner.

In this chapter, you will find:

- a list of the HP Jornada package contents
- an overview of this User's Guide, and pointers to other sources of helpful information
- descriptions of the programs and features included with your Pocket PC

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
