*Terminated. For as long as they continue to be a Licensee, those Licensees who entered the HEVC Patent Portfolio License before a Licensor's termination are covered under all HEVC Essential Patents that the terminated Licensor and its Affiliates presently or in the future has the right to license or sublicense, but coverage is not available to Licensees who enter the HEVC Patent Portfolio License after the Licensor's termination date. Please see the addendum to the Attachment 1 ([Click here \(https://www.mpegla.com/wp-content/uploads/hevc-att1.pdf\)](https://www.mpegla.com/wp-content/uploads/hevc-att1.pdf)) for specific termination dates.
