U.S. Patent No. 9,736,484

SECOND DECLARATION OF KEVIN JAKEL

I, Kevin Jakel, make the following Declaration pursuant to 28 U.S.C. § 1746:

1. I am a founder and the Chief Executive Officer of Unified Patents, LLC (“Unified”).

2. I make this declaration in support of Unified’s Motion to Seal certain information submitted with the Patent Owner Preliminary Response.

3. Exhibit 2005 is a copy of an email and several attachments that were sent by Mr. Shawn Awambi to a Unified member. Such communications are governed by a confidentiality agreement between Unified and that member and the expectation is that non-public information included in the email and the attachments would be handled in confidence by both Unified and the member.

4. Similar presentations to those included in the attachments to Exhibit 2005 have been provided to other Unified members. Each time Unified has provided this information, it has been under conditions that the recipients would treat the material in confidence.

5. I have reviewed the redactions to Exhibit 2005 that I understand will be filed as Exhibit 1045 in this proceeding. The redacted information reflects sensitive business information that is subject to confidentiality obligations with third parties and the disclosure of which would cause harm to Unified.

6. I declare that all statements made herein of my knowledge are true, and that all statements made on information and belief are believed to be true, and

that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code.
