ORDER  
Conduct of the Proceeding  
*37 C.F.R. § 42.5(a)*

## INTRODUCTION

Patent Owner filed its Preliminary Response (Paper 10) with a PRIVATE/RESTRICTED designation to restrict it from public access because it contains confidential information relating to Petitioner. Patent Owner did not file a redacted version of its Preliminary Response.

Petitioner subsequently filed a Renewed Motion for Entry of Protective Order (Paper 16) and a Renewed Motion to Seal Patent Owner Preliminary Response (Paper 15). Petitioner also filed as Exhibit 1049 a publicly accessible, redacted version of Patent Owner's Preliminary Response.

## DISCUSSION

Because the Preliminary Response is Patent Owner's document, Patent Owner should file the redacted version of its Preliminary Response (currently filed as Exhibit 1049) as a publicly available paper. Among other things, it will help maintain clarity and improve accessibility of the record to have the public version of Patent Owner's Preliminary Response correctly filed as a paper, rather than an exhibit.

## ORDER

It is ORDERED that Patent Owner shall file a publicly available, redacted version of Patent Owner's Preliminary Response by June 16, 2021.
