Counsel for Dish Network LLC and Broadband iTV, Inc.,

We are writing as counsel for AT&T Services, Inc. and DIRECTV, LLC (collectively "AT&T"). AT&T plans to file a petition for *inter partes* review tomorrow concerning U.S. Patent No. 10,028,026. AT&T's petition will raise the same grounds as instituted (and only those grounds) in IPR2020-01267. AT&T will also file a motion for joinder, requesting that AT&T be joined as a petitioner in IPR2020-01267.

AT&T's joinder motion will explain that AT&T's petition raises the same grounds as instituted in IPR2020-01267 (and only those grounds), and that AT&T pledges to serve in a customary "understudy" role unless and until the petitioner in IPR2020-01267, Dish Network LLC, is terminated or otherwise ceases to participate.

Would you please let me know by the close of business today if each of Dish Network LLC and Broadband iTV, Inc. is opposed to AT&T's joinder motion?

Thanks, Roger Fulghum
