1           Whereupon,  
2           Vijay K. Madiseti, PH.D.,  
3   after having been first duly sworn, was  
4   examined and testified as follows:

5           COURT REPORTER: Can you state your  
6   name and address for the record.

7           THE WITNESS: It's Vijay K.  
8   Madiseti, 56 Creekside Park Drive, Johns  
9   Creek, Georgia 30022.

10   BY MR. HERMAN:

11        Q.   Good morning, Doctor.

12        A.   Good morning, sir.

13        Q.   My name is Patrick Herman and I am an  
14   attorney from Orrick, Herrington & Sutcliffe,  
15   here today on behalf of Petitioner RingCentral  
16   in two IPR proceedings, and those are  
17   IPR2021-00573 and IPR2021-00574.

18           Now, before we begin, I would like to  
19   go over a few basic ground rules to make sure  
20   we are on the same page.

21           Is that okay?

22        A.   Sounds good.

23        Q.   So the first is that there is a  
24   reporter here who is going to be taking down  
25   my questions and your testimony, so it's

1 important that you respond verbally.

2 Is that okay?

3 A. Yes.

4 Q. It's also important that we not talk  
5 over each other so that we have a clear  
6 record. So I will do my best to wait until  
7 you finish an answer before asking another  
8 question, and I will also ask that you wait  
9 until I finish with my question before  
10 answering.

11 Is that okay?

12 A. That's okay.

13 Q. Next you are entitled to a question  
14 that you understand. So if there is anything  
15 unclear about any of my questions, please ask.  
16 Otherwise I will assume we are on the same  
17 page.

18 Is that okay?

19 A. That's okay.

20 Q. Next, I ask that you not look at any  
21 documents on your computer or in your presence  
22 besides those that I provide to you during the  
23 deposition today, and if you do look at a  
24 document for some reason that I have not  
25 provided to you, I ask that you let me know.

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

## API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

## LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

## FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

## E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
